**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Removing the possibility for competition by smaller companies is unwise, unethical and unamerican. It encourages super-giants to choke out the smaller, wonderful companies such as the one I use; Sonic.net. They are based in my home town and when I have an issue with service I can call them directly and get it fixed. Easy as that. Please take the consumer's point of view and see that small ISPs are a great thing.
